**Finance – Rich Gioffredi** – At the quarterly meeting there was discussion about paying the organists for there services as in the past this was approved. There will be 33' extra added on to the east side of the parking lot allowing an extra 55 parking spaces. We are just waiting for the OK from the Bishop and the deed from the County. We will try to add onto the ALL SAINTS sign in the front of the parking lot instead of erecting a new one. The sign will be added onto vertically so it is easier for a passerby to see and read. We still need to get the OK from the county. There is also a possibility of making this sign a digital sign.

**Faith Formation – Monica Miller**–Confirmation and First Communion went very well. The new times for Religious education classes have worked out great and should be continued for next year.
